National Conference inaugurated

AICTE sponsored a two-day National Conference on “Advances in Information, Communication and Networking Technologies” (NCICNT-2012) was inaugurated on 18th May, 2012 by Sri B.S. Bindhumadhava, Associate Director C-DAC, Bangalore. In his address he emphasized the importance of Gartner’s Top 10 Strategic Technologies for 2012 and explained the importance of Cloud Computing and Network Security in the emerging new areas of Information Technology. He opined that the compelling need of the hour is to visualize the future needs of the Information Technology vis-a-vis the explosion of information in the global context.

In his welcome address, Dr. V.V. Rama Prasad, Vice-Principal and Convener of the Conference explained the relevance of the theme for the Conference. He informed that out of 357 papers received, 40 papers were selected for presentation at the two-day Conference, which is the first of its kind organized in Sree Vidyanikethan Engineering College.

Dr. P. Ramana Reddy, Dean (PG Courses & Research); Dr. C. Subhas, Dean (Academics) and Dr. A. Senguttuvan, Dean (Computer Sciences) also addressed the participants and students. The inaugural function was attended by the Heads of Departments, members of faculty, participants of the Conference and students.
